

Introducing Secure Text Messaging!

DMC IS USING KLARA TO KEEP IN TOUCH WITH THE PEOPLE WHO MATTER MOST: OUR PATIENTS

Klara is a secure, HIPAA-compliant platform that allows patients to communicate directly with DMC. Now, you can send texts to us and receive texts from us using your mobile device.

How might you use Klara?

- Schedule, change, or cancel an appointment
- Request a prescription refill or ask a question about your refill or medication
- Ask questions about your health
- Submit billing questions
- Check on referrals

When you text DMC, your message goes directly to the appropriate department or team member to respond.

**To start, download the Klara App and follow the prompts.
It's easy!**
