Manage your health with our online patient portal and the athenaPatient mobile app

Are you getting what you need? Avoid the phone tag or time on hold by using the patient portal or athenaPatient mobile app to:

- ✓ Message us anytime, anywhere
- ✓ View test results on your time
- ✓ Schedule your next appointment
- ✓ Prepare for your next appointment by filling in your registration information*
- ✓ Conveniently manage your health information
- ✓ Easily pay your bill

Do you already have an Athena patient portal account?
